*Keeping you connected to your Centre...always caring to enhance your child's world*

## Winter is Coming!

It is hard to believe that November is here already, but we really enjoyed a fun-filled October. We had a wonderful time at our costume party; the children looked so cute.

A reminder to please bring back any Centre clothes you may have at home. Also please be sure to provide your child with at least one full set of extra clothing to remain at the Centre.

We have been busy discussing and planning for a safe winter evacuation in the event of an emergency. In order to aid in the implementation of these plans, we are asking that parents please put all children's mitts, scarves and hats in the sleeve of their jackets and their boots in the designated baskets. This will allow us to quickly grab the children's clothing and boots to keep them warm while we are moving to our evacuation site at Knight's Villa.

We will be having a Multicultural/portfolio evening at the beginning of December. This will be a great opportunity to learn about different holiday traditions and foods, as well as a chance for parents to see what their child has been learning. A letter will follow with further details.

Once again, we will be doing the HeartSmart Cookbook fundraiser. The cookbooks are \$5.00 each or 5 books for \$20.00. These make a perfect and inexpensive holiday gift for family and friends. Just let staff know if you are interested in purchasing any.

From all the staff at Centre 24/7, we wish you all a very safe and happy holiday season.

## Upcoming Events

December 26	Boxing Day – centre closed
December 27	Closed in lieu of Christmas Day
January 2	Closed in lieu of New Year's Day

## Birthdays

Jameson	November 3
Daniel	November 18
Landon	December 4
Ms. Sheena	December 13
Ms. Noelle	December 25

## (Infant) Jellyfish News

October has been a wonderful month for the Jellyfish group. We had fun doing exciting activities like our hand painted Autumn tree that is hanging in our room. We also collected colorful leaves for our circle time; we enjoyed throwing them in the air as we sang Autumn leaves are falling down. Also for this month, we had a costume party and had our pictures taken in our costumes. We decorated our own treat bags, did some dancing to fun music and had a pizza lunch. We would like to express our deepest thanks to all the parents for bringing us goodies to enjoy. We are looking forward to another month full of fun and learning experiences.

*Continued on the next page...*

## (Infant) Goldfish News

The Goldfish have learned more about Autumn-related topics such as leaves, pumpkins and the weather. In November we have started exploring our interests in veggies and pets. We also look forward to having bundles of fun with winter and the holiday season.

We congratulate David and Lise for graduating from the Goldfish in the Infant room to Dolphins in the Toddler room. We also welcome Eunice into our Goldfish group.

## (Toddler) Dolphin News

We are still enjoying this very beautiful Fall season and look forward to winter approaching soon. In October, we learned about Fall leaves and we enjoyed our costume party on Halloween. We welcomed David and Lise into our Dolphin group and congratulated Teddy, Julie and Aiden for moving into the Starfish group.

In November, we will learn about farm animals and lots of new and exciting learning experiences during circle time.

## (Preschool) Starfish News

In the last couple of months, we have said goodbye to our friends Renzo, Meghan, Kiara, Kaylee and Naiya. We welcomed our friends Ella, Angelo, Aiden, Julie, Krishna and Keshov. We talked about pumpkins and Halloween in October as well as having a fun-filled costume party. In November, we have begun exploring an interest in ramps, speed and driving cars. We have been enjoying the change in the weather and are looking forward to more snow to play in.
