

Dr. Penner Nursery

Keeping you connected to your Centre...always caring to enhance your child's world

January Newsletter

Welcome back!

We are excited to have everyone back after a wonderfully warm Holiday break!

The fall session was so much fun for all of us. The children who returned to our program were amazing helpers and looked forward to teaching the new children our routines, favorite songs, and expectations for our program.

Show and share days proved to be an exciting experience for the children. They looked forward to their special days and the opportunity to tell their friends all about their special items from home.

Everyone enjoyed our holiday celebration on the last day of the session. I hope that all of the sugar from the cone Christmas trees didn't ruin lunch for anyone!

We are very excited to be taking part in the Winnipeg Symphony Orchestra's Nursery Notes program this session. We will be joining our friends at Victor Wyatt on **THURSDAY FEBRUARY 9TH at 1:00pm** for a very special concert by the Symphony. Drop off and pick up will be at Victor Wyatt that day. Drop off will be at 12:45 and pick up will be at 3:00pm. There will be no class on Friday Feb. 3rd. More information will be provided as date approaches.

During the winter session we will be focusing on self help skills, cooperation, and taking turns. We will also be learning about the seasons, animals, and transportation.
